UNIVERSITY HYMN

In the towns on the Guimaras shores
stands the University we all honor—
GSU, whom we all adore, with our hearts
and minds and souls.

In the halls and throughout the world,
she will rise and never fall,
our beloved Guimaras State University,
a center of excellence and green technology.

Excellent in education and champions of the Earth,
we are future global builders pushing boundaries,
chasing our dreams, lifting our banners high up into the sky,
the world cheering for the children, Mabuhay! Mabuhay!

A university for all in this part of the western shore,
brothers and sisters united for a common goal
to lift each other up through education and culture
for the success of one and all.

In the halls and throughout the world,
we are ready to heed her call,
our beloved Guimaras State University
in the towns on the Guimaras shores.

Excellent in education and champions of the Earth,
we are future global builders pushing boundaries,
chasing our dreams, lifting our banners high up into the sky,
the world cheering for the children, Mabuhay! Mabuhay!

Excellent in education, Mabuhay! Mabuhay!

ACKNOWLEDGMENT

Guimaras State University extends its gratitude to all who made Parangal 2025 possible. This event was meant to recognize real work and the people who saw it through. To the proud families who stayed present through both the quiet and the celebrated moments, your support mattered. To the students, your consistency and integrity brought you here. And to the organizers who managed the work behind the scenes, thank you for holding things together. We also acknowledge, with quiet certainty, the presence of God for the space, strength, and steadiness that allowed this day to unfold.

This is not a closing chapter. The University considers it a pause: to take stock, to acknowledge, and then to continue. What comes next will require the same attention, the same discipline, and the same clarity of purpose that brought us here. Let your work continue to speak. Congratulations!
