## Meet our Speaker

### MAJOR JEROME J JACUBA

(AGS) PHILIPPINE ARMY, Alumnus Batch 2008

Hailing from Getulio, Buenavista, Guimaras, and now based at Camp General Emilio Aguinaldo, Quezon City, Captain Jacuba is 38 years old, a devoted husband, and a proud father of three daughters.

He is a graduate of Bachelor of Science in Industrial Technology Major in Machine Shop Technology here in Guimaras State University and began his journey of military service through the ROTC, where he served as Corps Commander of their batch in 2007.

Major Jacuba enlisted with the 3rd Infantry Division, Philippine Army, and served as the Battalion Commander and President of their class, the Candidate Soldier Course "MATALAS" Class 25-2010. He continued his military career development through the Probationary Officer Training Course (POTC) in camp Riego De Dios, Tanza, Cavite, and once again standing out as the Battalion Commander of POTC "ALAKDAN" Class 36-2012. He's a proud member of Officer Preparatory Course "LAKANDIWA" class 63-2014 at the Officer Candidate School in Camp O'Donnell, Capas, Tarlac.

He underwent rigorous training at the Scout Ranger Training School at First Scout Ranger Regiment, camp Tecson, San Miguel, Bulacan.

After those trainings, he was deployed at 6th Infantry Division, Philippine Army and served as a Platoon Leader of the 62nd Division Reconnaissance Company. In March 2, 2016, during a combat operation against the BIFF in Datu Salibu, Maguindanao, he was severely wounded by an IED explosion that caused total blindness to both of his eyes. Despite this life-altering injury, Major Jacuba's dedication to service never wavered.

From 2017 to 2024, he served as the Program Officer of the Department of National Defense's KAPAGDAKA — a program supporting soldiers with disabilities — where he became a symbol of hope and resilience for his comrades. For his extraordinary service, he was awarded the DND's Best Military Officer of the Year in 2020.

He is also the founder and current chairman of the Wounded Soldiers Agriculture Cooperative, empowering fellow wounded warriors through sustainable livelihood opportunities.

Major Jerome Jacuba's story is one of unshakable courage, resilience, and purpose — a shining example of what it truly means to serve the nation with honor and patriotism.

At present, he is assigned as Civil Military Operations Command, AFP with the designation as Community Relations Officer.

# *University Hymn*

In the towns on the Guimaras shores  
stands the University we all honor—  
GSU, whom we all adore, with our hearts  
and minds and souls.

In the halls and throughout the world,  
she will rise and never fall,  
our beloved Guimaras State University,  
a center of excellence and green technology.

Excellent in education and champions of the Earth,  
we are future global builders pushing boundaries,  
chasing our dreams, lifting our banners high up into the sky,  
the world cheering for the children, Mabuhay! Mabuhay!

A university for all in this part of the western shore,  
brothers and sisters united for a common goal  
to lift each other up through education and culture  
for the success of one and all.

In the halls and throughout the world,  
we are ready to heed her call,  
our beloved Guimaras State University  
in the towns on the Guimaras shores.

Excellent in education and champions of the Earth,  
we are future global builders pushing boundaries,  
chasing our dreams, lifting our banners high up into the sky,  
the world cheering for the children, Mabuhay! Mabuhay!

Excellent in education, Mabuhay! Mabuhay!

## *Acknowledgment*

Guimaras State University extends its gratitude to all who made Parangal 2026 possible.

This event was meant to recognize real work and the people who saw it through.

To the proud families who stayed present through both the quiet and the celebrated moments,  
your support mattered. To the students, your consistency and integrity brought you here.

And to the organizers who managed the work behind the scenes, thank you for holding things  
together. We also acknowledge, with quiet certainty, the presence of God for the space,  
strength, and steadiness that allowed this day to unfold.

This is not a closing chapter. The University considers it a pause: to take stock, to acknowledge, and  
then to continue. What comes next will require the same attention, the same discipline, and the same  
clarity of purpose that brought us here. Let your work continue to speak. Congratulations!
